

Showtec Par 56 Short, RGB LED

🇬🇧 The Showtec LED Par 56 Short is a Par 56 with RGB colourmixing. Due to the use of LED, the lifetime is very long and the powerconsumption is very low. The Showtec LED Par 56 contains 153 LED's (51 red, 51 green and 51 blue). It can be controlled by 4 DMX channels (R,G,B and pre-programmed chases and colours), automatically by its built-in processor or music-controlled by its internal microphone.

🇩🇪 Der Showtec LED-Par56 ist ein Parcan mit RGB-Farbmischfunktion. Durch die LEDs ist die Lebenszeit des Gerätes sehr lang und der Stromverbrauch sehr gering. Der Showtec LED-Par 56 enthält 153 LEDs (51 Rot, 51 Grün und 51 Blau). Das Gerät wird von 4 DMX-Kanälen (R,G,B und vorprogrammierte Lauflichter und Farben) gesteuert, automatisch durch den eingebauten Prozessor oder über das interne Mikrofon.
